

Refinement Survey

This survey has the objectives of gathering feedback about the Software Analytics Canvas' elements and possible refinements to it. I would like for you to answer in the most honest way to gather the best suggestions for the future of the SA Canvas.

* Obrigatório

* Este formulário irá registrar o seu nome, por favor preencha seu nome.

1. I think that "Key Issues" plays an important role in the SA Canvas. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

6. If you didn't found the "Methods and Tools" important or useful, explain briefly why.

7. I think that "Highlights" plays an important role in the SA Canvas. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

8. If you didn't found the "Highlights" important or useful, explain briefly why.

9. I think that "Insights" plays an important role in the SA Canvas. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

10. If you didn't found the "Insights" important or useful, explain briefly why.

11. I think that "Decisions" plays an important role in the SA Canvas. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

12. If you didn't found the "Decisions" important or useful, explain briefly why.

13. I think that "Goals" plays an important role in the SA Canvas. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

14. If you didn't found the "Goals" important or useful, explain briefly why.

15. The bottom row of the SA Canvas helps the team to organize the analytics tasks during the development process. *

Strongly disagree 1 2 3 4 5 Strongly Agree
☐ ☐ ☐ ☐ ☐

16. If you didn't found the "Analytics tasks" important or useful, explain briefly why.

17. If you have any suggestions to do for the SA Canvas write them here.

If you have any write them here with all the details, to help us understand why and what would be that change. This can be very important for possible future refinements in the Software Analytics Canvas.
